Frontier House Talking Points

(Please use when describing the Clubhouse to a potential member. In addition to reviewing these talking points, please visit our website: frontierhouse.org and watch the 5 minute video with your client)

- Frontier House is open Monday through Friday 8:00am to 5:00pm. It is located in Greeley at 1407 8th Avenue, 347-2128. The Greeley Evans Transit has a bus stop in front of the Clubhouse. Social activities are mostly held on Friday evenings and Saturdays and the Clubhouse is open on all holidays.
- A Clubhouse is a place that provides members with opportunities to build long-term relationships that, in turn, support them in obtaining employment, education and housing
- Frontier House is a place to experience being **needed, wanted, and expected**. You can expect to become involved in meaningful work while increasing self-confidence, stamina, acquiring job skills, and building supportive relationships.
- Frontier House is a **safe place** to be yourself, express your creativity, intelligence, and to learn new skills and tools to enhance your life.
- Participation is voluntary, but each member is always invited to participate in work which includes clerical duties, reception, food service, outreach, maintenance, managing employment and education programs, accounting and book keeping, and media projects.
- The Clubhouse will help you to work through your recovery by working on vocational goals, building social relationships and identifying the personal things YOU want to work on. Some examples may include: discovering you can return to work, going back to school, making new friends, and volunteering at the Clubhouse or in the community.
- Frontier House provides many employment opportunities to its members. Whether you need help with resume writing, preparing for an interview, job seeking, and job coaching, we provide a full range of services to help members find and keep employment.
- Clubhouse socials vary from in-house parties, games, and movies to outings such as trips to Denver, camping, hiking, picnics, swimming, bowling, and fishing. Some activities require a minimal cost.
- The Clubhouse members and staff work together as “colleagues” and encourage you to use your skills and talents to help each other in the Clubhouse and in the community.
- Frontier House has a Wellness program that includes two exercise groups per week, healthy cooking, and wellness education. Frontier House’s Wellness Center is available to any member and is equipped with new exercise machines.
